

## EMPLOYMENT OPPORTUNITY WITH AN INTERNATIONAL NON-GOVERNMENT ORGANIZATION (INGO)

Population Services International (PSI) is a leading global health organization with social marketing and social franchising interventions in Vietnam to address HIV/AIDS, Hepatitis C, Safe Water/Hygiene, Tuberculosis and Hypertension. PSI uses private sector approaches to improve the health of Vietnam's low-income and vulnerable communities in close to 20 provinces. Working in partnership with the Government, private sector and civil society partners, PSI harnesses the power of markets to empower underserved populations to lead healthier lives. For more information: [www.psi.org](http://www.psi.org)

PSI currently seeks a talented and motivated individual for the full-time position described below, to join our dynamic and resulted-focused team in **Hanoi**:

**Job Title: HEALTH SERVICES MANAGER**

**Report to: Country Director**

**Job purposes:** The Health Services Manager (HS Manager) is responsible for planning, managing and expanding PSI/Vietnam's efforts to build private sector provider capacity to meet national service delivery and *Good health, Great life* franchise standards across multiple health areas including maternal and child nutrition, tuberculosis, hypertension, hygiene and hepatitis C. The HS Manager oversees the selection, training, monitoring and promotion of Good health, Great life private doctors in multiple provinces, to build long-lasting improvements in the private sector's capacity to contribute to Vietnam's public health and non-communicable disease challenges.

**Major duties:**

- Map, screen and identify private providers who meet minimum criteria to join the *Good health, Great life* franchise, including accessibility to low-income and marginalized communities
- Develop training materials and co-facilitate trainings to improve adherence to national quality service delivery standards for maternal and child nutrition, tuberculosis detection, hygiene, hepatitis C management, hypertension management and other services to be identified.
- Develop practical provider tools to improve compliance with service delivery & franchise standards.
- Coordinate closely with national and provincial partners to ensure that social franchising activities comply with Vietnamese legal and medical guidelines, and respond to local priorities. Provide regular updates to key MOH counterparts at both national and provincial levels regarding social franchising results and lessons.
- Monitor expenditure against approved budgets & develop quality reports for funders and partners.
- Represent PSI social franchising experience, results and lessons with national and international stakeholders & contribute to fundraising efforts to expand support for private sector contributions to Vietnam's unmet health needs.

**Selection criteria**

- Medical doctor training. Masters degree in public health or related field preferred
- 4 years working experience in public health, and at least 1 year experience practicing as a medical doctor
- Knowledgeable regarding at least 1 of the following health areas: nutrition, tuberculosis control, hepatitis, water/sanitation/hygiene and hypertension
- Experience working with central MOH agencies such as VAMS, NIN, VAAC preferable
- Excellent English written and oral communication skills

### **A competitive remuneration package will be offered to the successful candidate**

Interested candidates are requested to submit detailed curriculum vitae (CV) with a letter of interest indicating the position you are applying for as well as copies of relevant certificates/degrees **no later than 5:00 pm on September 28th, 2014** to **HR Department, PSI Vietnam; Address: 11th Floor, VINAFOR Building, 127 Lò Đúc, Hai Bà Trưng, Hanoi; Email:**[hr@psi.org.vn](mailto:hr@psi.org.vn) **or fax:** (04)3944 6323; *Only short-listed candidates will be contacted for interviews. Please do not contact via telephone. Dossier will not be returned*
